

International Indian School, Riyadh

IISR/CD/Cir.2019/(09)19

2nd September, 2019.

CIRCULAR

Dear Parents,

This is to inform you all that CBSE has introduced two levels of Mathematics for All India Secondary School Examination (Class X) from the Academic session ending March 2020 onwards. The details of this scheme are as under:

- The two levels of examination will be held in the subject of Mathematics in the Board examination for Class X in the year 2020 and the same shall not be applicable to the internal assessment in Class X.
- First level would be the same as the existing one, and the other would be an easier level.
- There shall not be two levels of Assessment / Examination for Class IX
- The nomenclature for the two examinations will be: Mathematics-Standard for the existing level of examination and Mathematics-Basic for the easier level of examination.
- The syllabus, class room teaching and internal assessment for both the levels of examination would remain the same; so that the students get an opportunity to study the whole range of topics throughout the year and are able to decide upon the level of Board examination depending upon their aptitude and abilities.
- The Standard level will be meant for students who wish to opt for Mathematics at Sr. Secondary level and the Basic level would be for students not keen to pursue Mathematics at higher levels.
- A student will have the right to choose between the two levels of Examination at the time of submission of List of Candidates (LoC) by the affiliated school to the Board online.
- In case student fails at any level of Mathematics, he/she can appear at the compartment examination as per norms of Board according to the options given below:

In case of failure in	Compartment options
Mathematics-Basic	Mathematics-Basic
Mathematics-Standard	Mathematics- Standard or Mathematics-Basic

- A student who qualifies the Mathematics-Basic, shall be given an option to appear in Mathematics-Standard at the time of Compartment exams as per the norms of the Board, in case he/she changes his/her mind to pursue Mathematics at Senior Secondary level.

Hence, we request the parents to submit the option for their wards to the respective Class Teachers on or before 5th September, 2019 to avoid any further delay in submission of LoC to CBSE board.
