Trees Are the Kindest Things I Know

Trees are the kindest things I know,
They do no harm, they simply grow

And spread a shade for sleepy cows,
And gather birds among the boughs*.

They are the first when the day's begun
To touch the beams* of morning sun,
They are the last to hold the light
When evening changes into night.

And when the moon floats on the sky
They hum a drowsy* lullaby

Of sleepy children long ago...
Trees are the kindest things I know.
